## Barista

### Description

We are looking for baristas to hire on an event by event basis for our special events and pop-ups. Paying competitive rates for talented individuals.

We love coffee nerds and will gladly chat with you about origins, processes, or the latest pourover brewer. But we are also looking for people who recognize that each person experiences coffee in a personal way. It's important to us to create an inclusive and fun environment. We want people who love learning, are prompt and reliable, and have solid espresso experience.

Please send us a brief note telling us about yourself and a resume. We'll reach out to talk more.

Strong pluses: New York Food Handler's Certificate, experience mixing cocktails, latte art skills.
